From the East

Brothers:
Hello everyone,

I hope you are having a great year so far and are staying healthy. We are now heading into March and this month is dedicated to the youth orders. I am very proud of our young men and woman who have dedicated their time and effort in their fraternities, and it has been an inspiration to me as well as our masonic family. This year marks the 100th anniversary of Job's Daughters and it has been a pleasure watching all the young ladies mature and grow in our community. They are a great bunch of ladies and we will continue to support all their endeavors.

Our Fraternity is staying strong and we have added some great men to are organization. They have dedicated many hours to our craft and to our lodge. We are adding new members and trying to reach out our sister lodges to promote this brotherhood that is one of the best in the world. There is a lot to gain by surrounding yourself with great people who have the honor and integrity instilled in them and it is our duty is to care for each other and assist them when they are in need. Each time I travel to another lodge I feel welcomed and genuinely feel like They are part of our family.

This Month our Pillar officers and Senior Warden will be attending the annual Master and Warden retreat in San Ramon. These retreats are very informative and provide a great opportunity to receive training necessary for the lodge management and growth. I have had the pleasure of attending 3 of these retreats and have met some great people. The Masonic brotherhood is there to support each and everyone one us, and the Grand lodge wants us to thrive and grow. I wish all well and have a great month.

Sincerely,

Worshipful Master
Terry Maurice

From the West

Hello everyone, Sonny Benavidez Senior Warden here. We have had a very nice month of February; our youth groups also had some very nice events going on. We all recently traveled to a different lodge (Tyrian Manteca) to witness the initiation of a new member in that lodge, which was a great turn out. Looking forward to the month of March, we have a busy (and exciting) schedule coming up for this month so it will be interesting. Thank you all.

Sincerely,
Sonny Benavidez
Senior Warden
